DEMONETIZATION OF CURRENCY BY GOVT. OF INDIA

As you are all aware on 8th November 2016 the Hon'ble Prime Minister, Shri Narendra Ji Modi has taken a strong decision to discontinue the use of Rs. 500 and Rs.1000 currency notes.

We are putting all efforts to raise the issues of our members with the concerned Govt departments and will continue to do so.

The Govt has extended the toll free roads till 18th November 2016 as on today. Fuel stations have also been advised to accept old currency till 24th November 2016.

Representation for increasing cash withdrawal and ATM withdrawal limits for transporters has been sent to Ministry of Finance and Others departments but we are still to get their reply. We are completely aware of the difficulties all the members would be facing.

We would like to mention that if any members are facing any problems such as toll being charge illegally, petrol pumps not accepting NEFT, RTGS or old currency, RTO's seizing vehicles etc. kindly forward your complaints to bgta09@gmail.com and we will ensure it is highlighted with the concerned Govt body.

In case there is any other update on these matter we shall keep you inform time to time.
