TOLL BARRIER FREE IN INDIA

Transport industry of India is not against Toll collection, we are requesting a change in the methodology of collection. As per the methodology change suggested by the transport associations across India even if all other road users are allowed Toll free movement on the Highways, still the Govt. will get more revenue than at present. It will help in seamless transportation and result in huge savings of precious diesel and time. It will avoid unnecessary delays / wastage of precious fuel. It will also reduce the need for drivers to carry cash in hand en-route and thus ease pricing pressure on the trucking industry.

Benefits of Toll Barrier Free India

- Savings of Fuel and Inventory Delay causing national loss of Rs.87000 crore
- General public vehicle move toll free as truckers are ready to bear the burden .
- Lower logistic cost thus giving boost to PM's "Make In India" initiative
- Traffic Jam Free seamless movement on roads.
- Reduce Green House Gases due to wastage of fuel thus saving environment.

Members are requested to vote immediately in support of "TOLL BARRIER FREE IN INDIA" at www.transportguru.in/tbfi

NEW WEBSITE BY NARENDRA MODI..

While travelling on national Highways if members are not happy with road condition for which members have paid the toll, then take a evidence by taking a photo of it by mobile and visit the complaint link given below.
